

AMERICAN EMBRYO TRANSFER ASSOCIATION

Advisor/Major Professor Email Template for AETA Student Membership Verification

Subject: Request for AETA Student Membership Verification

Dear [Advisor's/Major Professor's Name],

I am writing to request your assistance in verifying my student status for the [American Embryo Transfer Association \(AETA\)](#) student membership application. As a current [undergraduate/graduate] student in [Your Department/Major] at [University Name], I am interested in pursuing membership in this professional organization to support my academic and professional development in embryo transfer and reproductive biotechnologies.

The AETA requires an academic representative to verify my current student status. Please help me by forwarding this email to aeta@assochq.org and including

1. confirmation that I am a full-time student in good academic standing,
2. your official contact information, and
3. my expected graduation date of [insert date].

AETA provides many [benefits](#) for its student members in addition to the free membership, including reduced annual convention registration, professional networking opportunities, complimentary job postings, access to the AETA Student Scholarship Program, and more!

I appreciate your help! Thank you for supporting my professional development.

Sincerely,

[Your Name]

[Your Student ID]
